Washington, D.C. - Congressman Jerry Moran recently received the 2004 National Farmers Union Presidential Award for Leadership from the National Farmers Union. This award is presented to Members of Congress for leadership on specific issues affecting rural America. Moran was recognized for his leadership in trying to secure emergency disaster aid for drought-stricken farmers and working to improve risk management tools for farmers and ranchers.

"Agriculture is the backbone of our economy and we must protect it," Moran said. "I am honored to receive the Presidential Award for Leadership from the National Farmers Union and will continue to work hard every day to defend rural life in Kansas. "

Moran is the Chairman of the U.S. House Agriculture Subcommittee on General Farm Commodities and Risk Management.
